

Guidelines for Satellite Events & Industry Symposia

About the Urgent Care Association of America (UCAOA)

UCAOA exists to provide leadership, education and resources for the successful practice of urgent care – this is the organizational mission. Our Vision is to be the catalyst for the recognition of urgent care as an integral part of the health care system. UCAOA's membership of approximately 3000 is made up of clinicians and administrators working in urgent care.

Annual Urgent Care Convention

The UCAOA Urgent Care Convention ("the Convention") is an educational forum for urgent care professionals to assemble for practical updates and reviews of urgent care practice and management. Past attendance was over 600 participants and expected to grow well beyond that for 2010.

Definition of Satellite Events

Satellite Events include the following types of programs. See detailed definitions within. All of the programs below are:

- Planned and implemented by an organization external to UCAOA
 - Not endorsed by UCAOA
 - Not part of UCAOA's official Convention program
 - Consistent with the mission and vision of UCAOA
-
- **Industry Symposia Satellite Event**
 - An educational program for which AMA PRA Category 1 Credit is offered
 - **Promotional/Social Satellite Events**
 - A program of over 20 people whose primary purpose is promotion of a product or relationship with an organization, CME credit is not offered
 - **Focus Group Satellite Event**
 - A program whose primary purpose is research on a particular organization, product or service

Educational topics may include any and all clinical and practice management-related topics applicable to the delivery of excellent medicine and service in the urgent care environment. All topics should be tailored to an urgent care audience and comply with the guidelines herein.

Proposal Submission Deadline

The deadline to submit a proposal to sponsor a Satellite Event or Industry Symposia is February 15th, 2010. UCAOA reserves the right to continue the selection process if all slots are not filled by February 15th. Proposals will be reviewed for acceptance on a first-come, first-served basis, and must be completed in their entirety to be considered. The Application Process is detailed in the pages that follow.

Satellite Event and Symposia Guidelines

By applying to host an event listed above, you agree to adhere to the guidelines set forth by UCAOA below. Any violation of these guidelines may result in the immediate dismissal of your program and removal from the exhibit floor, and UCAOA reserves the right to reject future applications for symposia or events submitted on behalf of any sponsor, credit provider or commercial supporter who has violated these guidelines. UCAOA reserves the right to restrict and/or dismiss at any time any event it deems undesirable, in poor taste, or offensive to attendees.

Satellite Event Guidelines - Overall (for all types of events)

Although compliance with the AMA's Ethical Opinion on Gifts to Physicians from Industry is the responsibility of the individual physician, every effort should be made to ensure that UCAOA members and Convention participants are not put in a situation that would be considered a violation of these guidelines. Approval of proposed symposia will be based on these and other regulations outlined below.

Regardless of the location and time of your event, your program (including registration, dinner, etc.) must not begin prior to the start times listed above.

Application and Administrative Fees – The fees for hosting events at the UCAOA Annual Convention are based on the type of event and whether the applicant is also an exhibitor at the Convention. Please refer to the application form for all fees.

Use of UCAOA logo – UCAOA wishes to avoid any implication that a Satellite Event is planned, implemented or sponsored by UCAOA. For that reason, your promotional materials must specifically state that the event is not an official part of the UCAOA Spring Convention.

Invitations/Promotion – All promotional materials for a Satellite Event must be reviewed and approved by UCAOA including but not limited to: flyers, brochures, invitations, envelopes, advertisements, websites, signage, press releases. UCAOA will approve materials within 5 business days or less. Submit materials to satellite@ucaoa.org.

Promotional Materials must include: Name of Sponsor/Host, Name of credit provider (if applicable), Acknowledgement of Commercial Support (if applicable), Instructions to attendees for registration for the event (if applicable)

UCAOA will provide an electronic version of the pre-registrant mailing list, including e-mails at no cost. This list is approved for a mailing to registrants one time before and one time after the event only. UCAOA monitors use of participant emails very closely. Any violation of this policy will result in exclusion from future events at UCAOA discretion. In addition, the UCAOA mailing list is available for rental. UCAOA does not restrict promotion of your event to our Convention attendees.

UCAOA will produce a schedule of Satellite Events via signage in foyer areas listing all Satellite Events, a listing of events on our Spring Convention website and in participant program.

Events must be scheduled and administrative fees paid by March 15, 2010 to be included in signage.

The sponsoring organization may also purchase additional advertisement space in the Participant Program to promote their event. Satellite Event advertisements in the Participant Program must include the sentence *"This event is not a part of the official 2010 Urgent Care Convention"*.

Exhibit booth representatives may distribute invitations, tickets, etc. from within the confines of the exhibit space assigned to the sponsor or commercial supporter of the Satellite Event. *However, distribution of invitations, etc. promoting a Satellite Event is strictly prohibited in all other public spaces of the event venue.*

Program Materials must be submitted to UCAOA for review no later than April 1, 2010. Please allow 5 business days for approval. A final copy of the program materials must be submitted to UCAOA as well.

Enduring Materials – whether credit bearing or not, enduring materials produced based on satellite events held during the Convention must be approved by UCAOA prior to production. Like promotional and program materials for the event, enduring materials may not use the UCAOA logo or name or make mention of the Convention.

Event-Specific Guidelines - Industry Symposia

CME Credit and Compliance with AMA and ACCME Guidelines

UCAOA does not provide AMA PRA Category 1 Credit for Industry Symposia. Those wishing to hold a symposium must obtain credit from an accredited CME/CEU provider. A list of accredited providers and medical societies can be obtained at www.accme.org.

All symposia must be held in compliance with the ACCME Standards for Commercial Support of Continuing Medical Education. The CME provider is solely responsible for ensuring compliance with these Standards.

Symposia sponsors must submit an evaluation summary report and final attendee list by June 30th to Colleen Richter, UCAOA, 4320 Winfield Road, Suite 200, Warrenville, IL 60555.

Event-Specific Guidelines – Promotional/Social Events

Promotional/Social Events include any gathering, dinner, reception, or event of over 20 people with the primary purpose of promoting a product or service or furthering a relationship between a commercial entity and potential OR existing customers. This would include any event that is marketed or clearly understood by attendees (prior to, during, or after the event) to be sponsored by a commercial product(s), company(ies) or organization(s). While not eligible for CME credit, these events must still comply with all of the overall guidelines for Satellite Events and any additional external rules and regulations to which the host organization is subject relative to gifts to industry.

Event-Specific Guidelines – Focus Groups

Focus Groups include any gathering, meal, meeting or other similar function whose primary purpose is to research user or potential user opinion on an organization, product or service. While not eligible for CME credit, these events must still comply with all of the overall guidelines for Satellite Events and any additional external rules and regulations to which the host organization is subject relative to gifts to industry.

Focus Group attendance is limited to 20 participants. **UCAOA will only include a scheduled Focus Group on the Satellite Event signage at the specific request of the hosting organization.**

Event Arrangements

Space Assignments

Once your event has been approved, you will receive confirmation from UCAOA. Upon confirmation of your approval you may contact the Walt Disney World Dolphin Resort to request space for your event if you would like to use hotel property. Direct contact information will be provided with your acceptance. Events may not be held in UCAOA Convention space.

Catering and Logistics

Arrangements for room setup, food and beverage selections and billing must be made directly with representatives at your event venue. They can provide you with menus and floor plans upon request. Event hosts are responsible for all expenses incurred related to their program. UCAOA bears no financial obligation for expenses incurred for any Satellite Events.

Production/Audio Visual Equipment Rental

The application and administrative fee does not include audiovisual equipment rental or labor costs. You must make these arrangements directly with the venue hosting your event. When you are designing your staging and production for your event, please keep in mind that in most cases you will be limited to one hour of setup time.

Cancellation Policy

UCAOA must be notified in writing of the cancellation of an approved Satellite Event. For cancellations received by the close of business on April 1st, 2010, UCAOA will issue a refund of 80% of the application and administrative fee. No refunds will be issued for cancellations after April 1. Because we direct neither the topic nor the marketing efforts, UCAOA is not responsible for final attendance at Satellite Events.

Application to Hold a Satellite Event - UCAOA Urgent Care Convention – Orlando – May 25-28, 2010
